The quality of being united into one

In December 2000, with the blessings of Mahant Sadguru Shree Hariswarupdasji Swami, the journey to establish a spiritual home for Kutchi Haribhakto in Sydney began. Guided by his vision, heartfelt discussions were held and plans slowly took shape.

On 31 May 2001, under Mahant Swami's continued guidance, Upmahant Sadguru Shree Dharmanandandasji Swami penned a heartfelt letter expressing his immense joy at the unity and determination of Sydney's devotees in forming a formal Mandir organisation.

ત્યાં
આપણા ઇશ્તદેવ શ્રી સ્વામિનારાયણ ભગવાનનું મંદિર બનાવો છો. અને
હરિભક્તો અરસપરસ પ્રેમ અને ભાઈચારો વધે. અને સંગઠન ભાવના પેદા
થાય. ધર્મનો પ્રસાર થાય તેને અનુલક્ષને બંધારણ તૈયાર
કરાવીને અત્રે મોકલાવેલ છે.

In his letter, he blessed the vision of building a Mandir for our Ishtadev, Shree Swaminarayan Bhagwan, in Sydney. He wrote that such a place would nurture mutual affection and brotherhood among devotees, foster a deep sense of **sangathan** (unity), and help spread our faith far and wide.

On **26 June 2001**, this vision became a reality with the official registration of Shree Swaminarayan Temple Sydney Inc., marking the beginning of what has now been a remarkable 25-year journey of satsang in Sydney. To honour this milestone, we will be celebrating a year-long festival, culminating in a grand event in 2026 from 4 July to 12 July. The theme will be:

Sangathan Parva | A Celebration of Unity

This event will serve as a way to strengthen the bonds among haribhakto across Sydney, promote unity, and inspire increased bhajan bhakti as we come together to celebrate this extraordinary occasion.
