DISCOVER

Sangathan

[san-ga-tana] noun

The quality of being united into one

25 Years of Faith & Unity

December 2000

With the blessings of Mahant Sadguru Shree Hariswarupdasji Swami, the journey to establish a spiritual home for Kutchi Haribhakto in Sydney began. Guided by his vision, heartfelt discussions were held and plans slowly took shape.

31 May 2001

Upmahant Sadguru Shree Dharmanandandasji Swami penned a heartfelt letter blessing the vision of building a Mandir for Ishtadev Shree Swaminarayan Bhagwan in Sydney. He wrote that such a place would nurture mutual affection and brotherhood among devotees, foster a deep sense of **sangathan** (unity), and help spread our faith far and wide.

26 June 2001

This vision became a reality with the official registration of Shree Swaminarayan Temple Sydney Inc., marking the beginning of what has now been a remarkable 25-year journey of satsang in Sydney.
